The club council election was held with the following results:

President: Jim Fuller
Vice President: Darryl Miller
Treasurer: Rick Stange
Secretary: Scott Hall
Safety Officer: Roberto Sierra

Treasurers Report (Rick Stange)

No account activity this month. Balance \$Omitted

Old Business:

Gravel for driveway: Darryl had contacted Straylow Trucking for a estimate. A vote was held and approved up to \$200 toward the purchase of gravel. The park has already agreed to spread the gravel for us.

Shirts with Club Logo: Imprintable Memories in Prophetstown is able to print our logo as well as pictures or other images on shirts, hats, ect. The technology embeds the ink into the fabric so it will not crack or peel. Rick Stange is willing to assist anyone in getting a picture or logo formatted for this.

Pilot Stations / 2nd Fence: Darryl checked into AMA rules regarding what was needed for pilot stations. The AMA has left this up to clubs so our current layout is acceptable. A vote was held to keep the field the way it is.

New Business:

Membership Cards: Beginning in 2008, we will no longer be issuing membership cards. Anyone with e-mail will be receiving an e-mail confirmation of their membership with the club By-laws and other pertinent membership information. If a paper receipt is required one can be produced at your request.

Club Trainer: As some of you may know, Darryl Miller donated a plane to be used as a club trainer. Jim Fuller is donating his time and a motor to get the plane to a flight worthy condition. Rick Stange and Bud Jordan volunteered to locate any radio equipment they may have to complete the project. If you have any radio equipment that can be donated please let Jim, Rick, or Bud know.

Up & Coming Events:

Morrison Christmas Walk – Last year Dick did a fantastic job putting together a window display for the MMAF. We would like to participate again this year with a display. If you can participate by helping or loaning equipment please contact Jim, Scott, or Dick. The Christmas walk takes place early/mid December.

Holiday Party: Darryl is planning a holiday party at his house in December. He will be contacting everyone with a date as soon as his work schedule is finalized.

Club Activities for 2008:

In addition to the Fun Fly, a couple of new ideas were brought up for 2008. A Fly In (Possibly Scale Models), a Community Open House, and a booth at the county fair. If you are interested in helping with any of these ideas and can dedicate time to planning and organizing, please let Jim or Darryl know.
