

MMAF Meeting Minutes
October 7th, 2007

The meeting opened with eight members present.

Treasurer's Report – Rick Stange

Starting Balance	=	\$Omitted
1 Member Dues Paid	=	+ \$25
Ending Balance	=	\$Omitted

Dues for 2008 will remain \$25.00. Please plan on renewing your membership by the May meeting.

Old Business

Club Shirts – Darryl will check on availability and price by Nov Meeting

New Business

Welcome New Member – Edward Hagemeyer, Clinton, IA

Club Council Elections will be held at the November club meeting.

November's meeting will take place at Jim Fuller's new residence at 12:00. Please bring a dish to pass. Jim's new residence is 13638 Shelly Drive, Morrison, IL 61270.

Rockwood park will be closed for hunting on November 16-18. It may also be closed November 29 – Dec 2nd but I have not confirmed that. Our airfield will be unavailable while the park is closed for shotgun season.

Club X-mas party – Darryl is planning on having a holiday party if his work schedule permits it. He will know more as December approaches.

A general discussion was had regarding if our current pilot stations were adequate. Many clubs use PVC pipe and snow fence barriers that are portable if needed. Some clubs have another fence that separates the runway and the pit area. Further investigation is needed to determine what the AMA requires.

Driveway Improvements – There was discussion regarding the condition of the driveway coming into the airfield. The park is unable to help us with the cost of improving the drive, however they will help by spreading out any rock we purchase. Darryl was going to look into the cost of rock and how much we might need. If anyone has access to a dump truck please let Darryl know.
