

MMAF Meeting Minutes

Jan 7, 2007

Dick Landsiedle opened the meeting 1:16pm

Treasury

10 people paid dues (\$250)

Had mower deck sandblasted, welded and painted with epoxy. Bearings ok. Will be buying new blades

\$Omitted in treasury

Old Business

Materials for toilet – Mike (from the park) stated that the material would be on site waiting for us (nearly a month ago). We don't know the status right now but we don't need to worry about it until the weather gets better. Materials include fiberglass roof, siding, ect.

Sign for the park entrance – Darrel is taking pictures today to determine the size and appearance. The wood may be Cyprus and could be difficult to locate. The sign could be located at the intersection before the field or at the parking lot entrance.

The MMAF web site is now linked with The City One.com

Fuel Order- Dick took a list from the people in attendance.

– Delbert at Rusty's Miniatures can get us a good price if we sign up for it.
Omega, Sig, Coolpower, Wildcat

Posting phone numbers & web page at flying field.- Rick will make a sign

New Business

Replacing sign at airfield – Cost would be about \$350 for a 4 x 8. Rick can bring a graphic of the proposed sign for the next meeting.

MMAF Window Display during Christmas walk went really well. Will probably try to do this again. So far we don't have any new contacts from the display but it gave the club allot of visibility.

Meeting was held in November to discuss events. Decided that a Fun Fly was going to be the best starter event for the club with the best turn out and least amount of work

Phil Vernon sent Dick the 2007 Event calendar for the Davenport club. They have something going on every weekend in June. July 22nd and 8th will be our dates for proposed events.

Fun Fly Events:

Touch and go on target

loops in 10 sec

Taxi around flags

Balloon Break

Trial Fun Fly will be performed to experiment with different contest ideas

Sponsors for the event will be contacted

Bud Jordan requested that a white line be put down on the airfield (center of airfield).

Spoon River Flyers Club (Galesburg area) add a link to the web page.

Group outing to Quad Cities Airshow proposed (1st weekend of June). Add to calendar.

Jan 28, Iowa City Airport Swap Meet

Feb 18th Swap Meet – Mount Joy National Guard Hanger (Davenport)

Next meeting Feb 4th
