MMAF Meeting Minutes

The meeting began at 2:00 at the airfield.

Treasurer – Rick Stange

\$Omitted = our current balance

There are a few outstanding debts from the work day which occurred on May 2nd. (Carpet cost for new tables & other expenses)

President – Jim Fuller

Discussion on the upcoming events occurred.

Open House

- Our Open House is June 13th.
- Final preparations will be decided at the next meeting. Last year's open house went very well and had a great turnout. Let's try to make this year's event just as successful. Please plan on attending and bring your planes!

Fun Fly

- Darryl Miller agreed to a rule change that will allow restarts for gas and electric planes. As long as the plane isn't damaged or the prop broken, a pilot will be allowed to continue their round. All rules are subject to discussion; however please bring any suggestions or concerns up to Darryl Miller by the end of our next meeting.
- The Time 2 Glide event will now be a dead stick spot landing. There will be no points given for glide time as done previously.
- Prizes – Any new items you would like to donate are appreciated. Please contact Darryl if you have something to contribute. In the past, we've spent \$200 on prizes in addition to the donations.

New Business

Phil Vernon, the president of the Davenport RC Society, sends out regular E-mails about local "For Sale" items and area events. If you are interested in receiving his messages you can send him an e-mail at big.phil@mchsi.com and ask to be put on his mailing list.

Mowing List - The mowing list will be determined at each meeting. Please contact a council member if you are able to sign up for a specific weekend.
